

Products & Services to Make Your
HomeSweetHome

Think of us as your one-stop shop for products and services that enhance the value of your home. We've got you covered – from the inside out. Just give us a call or visit us online at www.firstenergycorp.com/consumerproducts.

Landscape Lighting

Home improvement that's easy and affordable

Showcase the beauty of your home at night with custom-designed landscape lighting. A well-designed outdoor lighting package can:

- Extend your time outdoors
- Make your home safer and more secure
- Increase the value of your home

Professionally installed by a local contractor, our top-quality UL-Listed fixtures provide years of energy-efficient performance. Why buy plastic lights and go through the hassle of trying to install them yourself? Call **1-800-505-SAVE** to find out how you can have sturdy and stylish fixtures professionally installed at your home.

Postlamp

A well-lit home is a safer home

Installing a postlamp is one of the easiest ways to help protect your property and your family members. The continuous glow of a postlamp from dusk to dawn provides a brighter, safer entrance to your home and also discourages potential theft and vandalism.

A photo-electric eye built into the fluted, black pole automatically turns the light on at dusk and off at dawn. And each fixture is constructed to ensure a long life even in harsh weather. Call **1-800-505-SAVE** for more information. Home security has never been this cost-effective – or looked so good.

Line Protection Program

Peace of mind for just pennies a day

Don't let age and normal wear and tear on your household electric, gas and water systems lead to major repair costs. Sign up for the Line Protection Program and guard yourself against the unexpected cost of repairs.

Call **1-888-658-3800** for more information on our six plans. Then customize a program that's right for you by picking the plans you want:

- Interior Electrical
- Exterior Gas Line
- In-House Gas Line
- Exterior Water Line
- Exterior Sewer Line
- Telephone and Interior Low-Voltage Wiring

With the Line Protection Program, you can call for a repair anytime – 7 days a week, day or night – and an experienced technician will be promptly dispatched to your home. For most customers, our low monthly fee is conveniently added to your electric bill. Your satisfaction is guaranteed, and you can cancel anytime.

Tree Services

Competitively priced tree care

Heavy rain or snow, wind and lightning from harsh storms can knock down large branches and uproot entire trees. And cleaning up storm-damaged trees can be difficult and even dangerous. So when tree limbs fall unexpectedly, call us and a tree care contractor will

remove them safely – and at an affordable price.

Now, you can benefit from these professional services:

- Tree Pruning
- Tree and Stump Removal
- Emergency Tree Care
- Tree Health Maintenance

Call **1-800-505-SAVE** for a free estimate.

Total Repair Coverage

The protection you need at a price you'll like

Your critical home systems can break down anytime. Why take a chance on unexpected, costly repairs to your heating and cooling equipment? When you're enrolled in Total Repair Coverage, for a low monthly fee we'll get your natural gas and electric systems working again fast.

Four protection plans to suit your needs:

- Heating System
- Cooling System
- Heat Pump System
- Water Heater

Just one call is all it takes to get the repairs you need. And eligible repairs are covered regardless of the age of your equipment. Your satisfaction is guaranteed – cancel anytime. For complete details, call us at **1-888-658-3800**.

Electrical Services

Safety at a savings, brought to you by your electric company

Whether you have a small project – such as adding lighting fixtures, installing an attic fan or wiring a bathroom – or you need to upgrade your entire system, you can depend on us for professional, high-quality work at an affordable price.

Experienced electrical technicians can handle your home's electrical needs:

- Repairs and upgrades
- Home safety inspections
- Wiring work, plug and switch installation
- Interior and landscape lighting
- Circuit breakers, fuses and meters

For a free estimate, call us toll-free at **1-800-505-SAVE**.

Additional Home Products

Practical, functional and affordable

Big Heat® Portable Heater

Even on winter's coldest days, our lightweight Big Heat portable heater will warm you up. This small heater is packed with power and features, including:

- Adjustable fan setting, 1200-1500 watts
- Thermostat for comfort level
- Six-foot cord
- One-year manufacturer's warranty and UL-Listed

To order, call **1-800-505-SAVE**.

Fresh² Light Bulb

Help control household odors while saving energy with the Fresh² compact fluorescent bulb. Simply switch on the energy-efficient Fresh² bulb, and the unique design begins breaking down odors in ten minutes. And one Fresh² bulb will continue deodorizing for up to three years – a healthy

alternative to chemical sprays, powders or fragrances. Plus, one Fresh² bulb lasts up to 13 times longer than regular bulbs. This energy-saver uses only 23 watts of energy to put out nearly the same amount of light as a 100-watt incandescent bulb.

For your Fresh² bulbs, call **1-800-505-SAVE**.
